Commitment To People

PRS has established its supply chain based on factories with best ethical practices. Factories are on-boarded only when they are audited and certified regarding below compulsory factors :

- Zero child labor
- Zero forced labor
- Zero corporal punishment, physical abuse and violence, including sexual violence
- Occupational Health and Safety
- Freedom of Association

Our own Code Of Practice Team

Apart from 3rd party audit and certification - in PRS we have own dedicated Code Of Practice Team.

This team is dedicated for monitoring in detailed to ensure our supply chain following all standard protocols and all workers are receiving standard environment and benefits

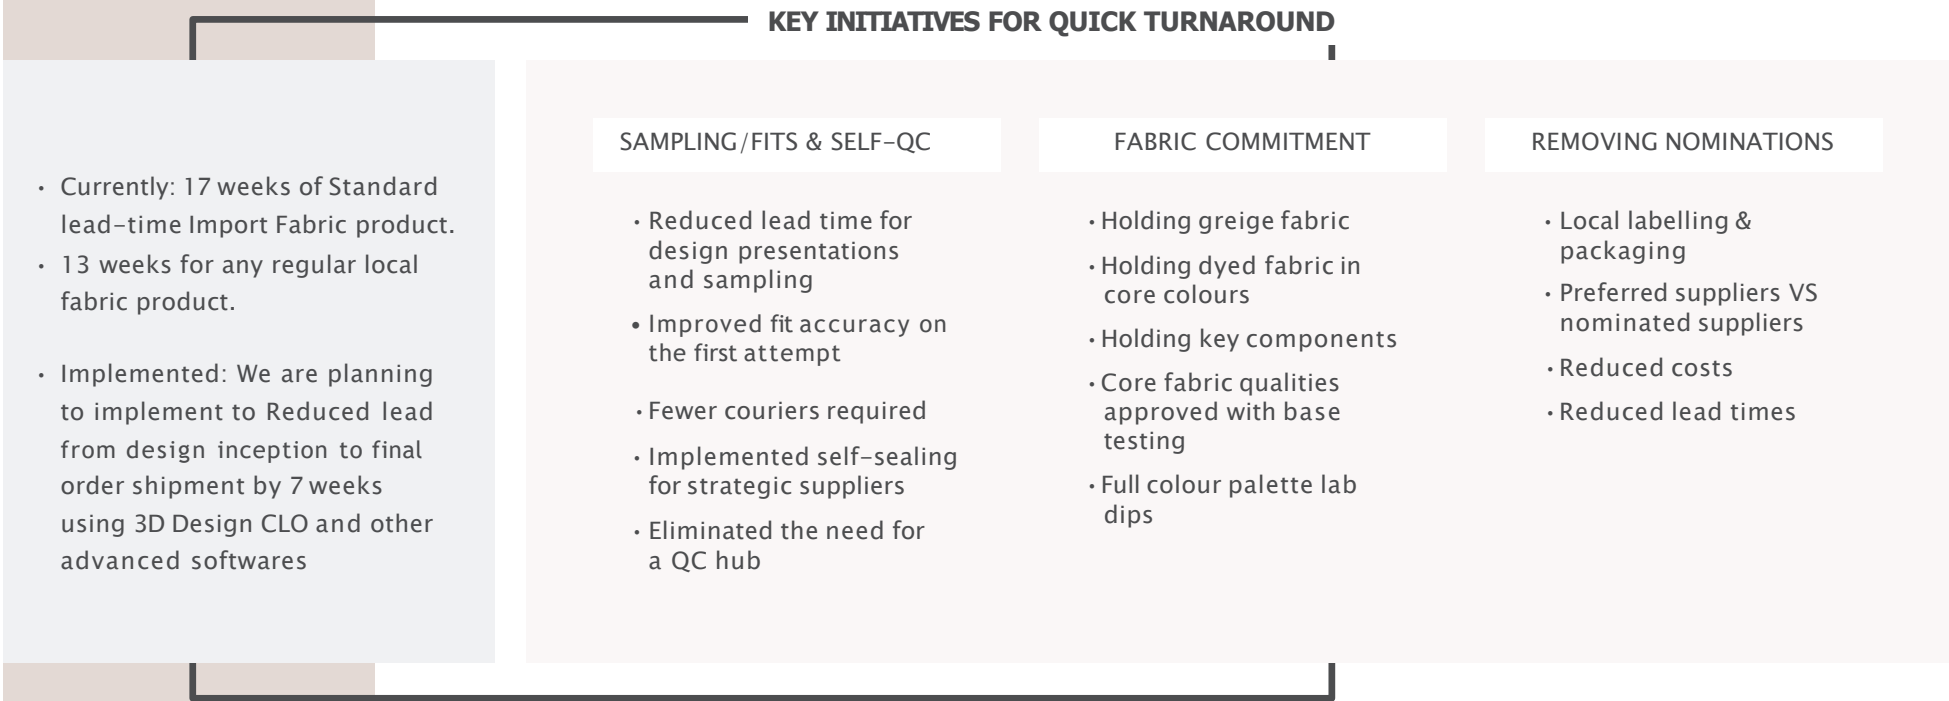

Commitment To Planet

PRS drives the business where fashion respects the Earth. Our products coming from manufacturing units where :

- Zero discharge of hazardous chemicals to environment.
- Each wet-processing unit comply with REACH and ZDHC protocols.
- Each wet-processing unit consists of standard effluent treatment plant.
- Recycling is encouraged for discharged water and pre-consumer wastage in production plant.

Speed to Market & Quick Turnover
